Florida Transportation Commission

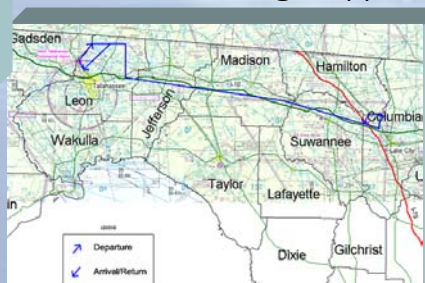

December 9, 2003

Unmanned Aerial Vehicle

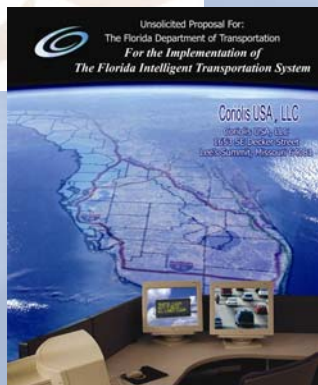

Research Project Update

- Awaiting final Federal Aviation Administration (FAA) flight approval
- Received FAA Southern Region Air Traffic Division acknowledgement and status of flight application

Unsolicited Proposals

FDOT ITS Office received two unsolicited proposals for private sector *ITS Program* deployment

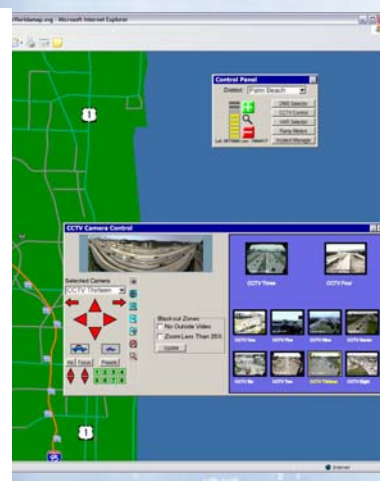

- Fujitsu / APTUS (10/06/03)
- Coriolis USA, LLC (10/23/03)

FDOT commenced a competitive solicitation and selection process (11/26/03)

3

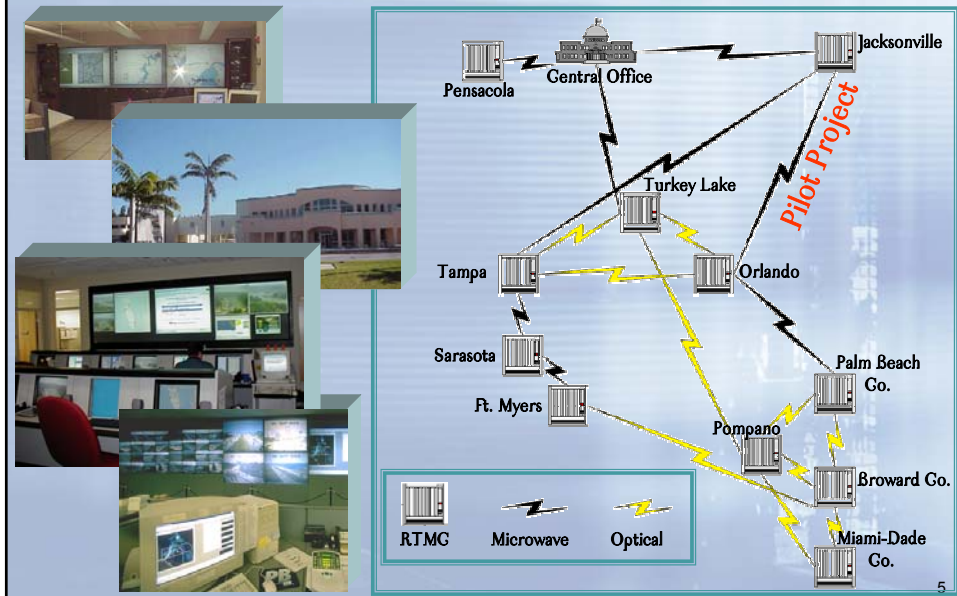

TMC Software Library System

- ✦ Framework agreement with TxDOT in place (09/04/03) and Memorandum of Understanding being developed
- ✦ Southwest Research Institute selected as software contractor
- ✦ FDOT ITS Office had a Kick-Off Meeting (11/13/03)
- ✦ Project Web site at <http://stmcsls.datasys.swri.edu/>

4

Center-to-Center Communications Plan

5

Regional Transportation Management Centers (RTMCs)

Regional hubs for management and operations of limited-access facilities

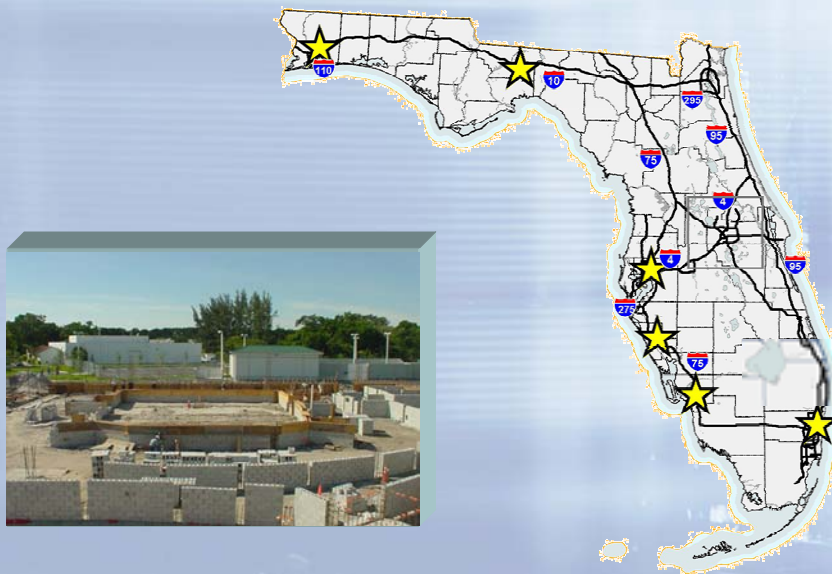

6

Existing RTMCs

7

Future RTMCs

8
