CHOICES THAT
IMPROVE ACCESSIBILITY
AND EQUITY

FLORIDA
Transportation Plan

Key Cross-cutting Strategies

- Strategically align investments with goals
- Provide sustainable and reliable transportation funding sources
- Develop and retain skilled transportation workforce

Key Targeted Strategies

- Commit to Vision Zero
- Identify and mitigate risks to Florida's transportation system
- Transform connections between Florida's regions and to other states and nations
- Strategically complete transportation systems and networks
- Expand infrastructure to infostructure
- Prioritize moving people and freight
- Further access to opportunity for those who need it most
- Integrate land use and transportation decisions
- Develop transportation systems to protect and enhance air quality, water quality and quantity, critical lands, and habitats

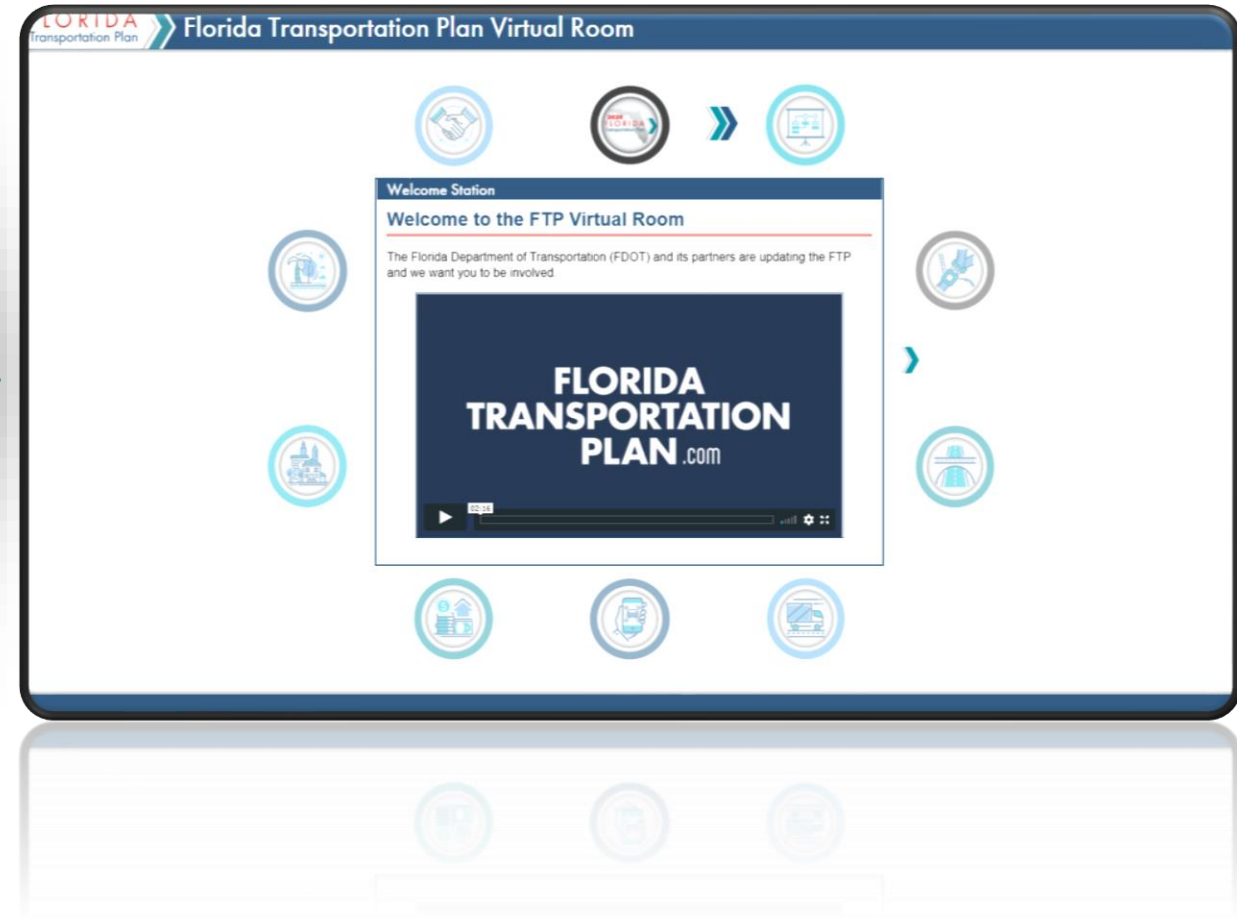

FTP Timeline

FTP Virtual Room

- Walk through the seven goal stations to provide your input on the draft strategies and share your ideas for reaching our goals.
- No specific time, always open!
